SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Under 37 CFR §1.97

This Supplemental Information Disclosure Statement is filed more than three months after the filing date, but it is made to report references cited by the German Patent Office in the corresponding German Patent Application within three months after the receipt of the report, so it is timely filed without payment of a fee. 37 CFR §1.97(b).

The filing of this Information Disclosure Statement shall not be construed as a representation that a search has been made (37 CFR §1.56(g)), an admission that the information cited is, or is considered to be, material to patentability or that no other material information exists.

The filing of this Information Disclosure Statement shall not be construed as an admission against interest in any manner. Notice of January 9, 1992, 1135 O.G. 13, at 25.

This Information Disclosure Statement is made to comply with the duty of candor imposed on all individuals associated with the filing or prosecution of this application, as defined by 37 CFR §1.56(c).

One (1) U.S. patent document is listed on the attached one (1) sheet of Form PTO/SB/08A which is made a part hereof. Two (2) non-patent publications are listed

on the one sheet of Form PTO/SB/08B, which is also made a part hereof. A copy of each document is enclosed. Also attached, but not cited on Form PTO/SB/08, is a copy of the Office Action from the German Patent Office on application 101 10 358.1-53. The Office Action is dated 29 April 2004.

Citation BA is a 1994 reference which is simply a dictionary of well-known image processing terms. The title is "Lexicon of Computer Graphics and Image Processing". The figure on page 37 is simply a figure of a common digital image processing system. This reference simply shows what are well-known elements in image processing systems. We do not believe a translation is needed for the Examiner to be able to effectively understand the reference. However, if the Examiner requires a translation of any part of this reference, one can be provided.

The foregoing Information Disclosure Statement is based upon the information known to the inventor or contained in the undersigned attorney's file as of the filing date of this statement and is inclusive of the best information known to each of the undersigned at that date. Prompt consideration of the Information Disclosure Statement and the references by the Examiner is earnestly requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "D. J. Muzilla", written in a cursive style.
